

## Kelly Condliffe Parent Governor

My journey at Heron Cross Primary School started in 2016, when my eldest daughter, whom is now at high school, started in the Nursery Class. My youngest daughter has been attending since September 2024. During this time, I have seen many positive changes at Heron Cross; leading me to be interested in the Parent Governor role.

I have worked with babies and children since the age of 16. During my time at college, I qualified with a Diploma in Child Care and Education - Level 3. I then went on to work within a private day care setting, before moving on to the education sector. I have worked in three different primary schools across the city. I gained valuable experiences and skills working within Foundation Stage, KS1 and KS2, as a Teaching Assistant, Early Years Practitioner, Cover Supervisor, Higher Level Teaching Assistant and Home School Link Worker.

I became a Parent Governor in March 2024 and was warmly welcomed by the Governors and staff at Heron Cross. I am excited to be a part of such an amazing team and bring my vision, skills, and ideas to the school.

I look forward to working together, to continue to improve and develop Heron Cross.
