

Trevor Hutton Co-opted Governor

My name is Trevor, or Rev. Trev as the children at Heron Cross call me when I come to take assemblies, or when they come to Fenton Nazarene Church where I am the Minister.

I was born in Northern Ireland. I moved to England (Manchester) to do my BA and MA, and headed to Scotland to be a Community Outreach Worker and Church Starter for 14 years, before heading to Manchester where I did my PhD and worked as a Chaplain in Primary Schools and taught Theology at the Manchester University, now seconded to Fenton Nazarene.

I love working at Heron Cross and serve on the Fenton Events Association where I MC most of the community events. However, you might not recognise me as I am usually dressed up as one thing or another!

I love curries and movies, the music of Lennon and McCartney, and enjoy playing my guitar when I get a chance.

I believe that our children are the hope of the world and will do my best as a Governor to support and encourage your children to reach their full potential.
