

Heron Cross Primary School Religious Education 2025-26

Intent:

Our school's curriculum follows the Stoke-on-Trent Agreed Syllabus for Religious Education (2021-2026), designed to inspire pupils to explore a wide range of religious and non-religious worldviews while engaging with life's big questions. We are committed to preparing our pupils to navigate an increasingly diverse and dynamic world, equipped with the knowledge and skills to appreciate and understand different beliefs and perspectives.

Our curriculum offers pupils the chance to explore these worldviews through diverse methods, such as art, music, drama, and dance, as well as through discussions, literature, and structured writing activities.

We aim for each lesson to be intellectually stimulating and personally meaningful, fostering both academic growth and personal insight.
